

STOMET Ltd. will be a professional company operating in the metal sector, creating economic added value in separate internal units thanks to effective organization and management system.

All our activities are determined by the basic principles underpinning the company's philosophy:

"Our customer is the most important".

"Our superior goal is the timely provision of services in line with the needs of our customers".

"The company's most important resource is its employees".

CEO
Mariusz Kopiec
